50TH CLUB IN DBNSW ASSOCIATION

WHAT IS DRAGON BOATING?

Dragon boat racing is a long standing Chinese tradition that has developed into a fast and furious water sport around the world. With teams of up to 22 people required to propel a boat from start to finish, this is an ultimate team sport.

Dragon Boat racing started in Australia in a small way in 1983 with a handful of sporting teams training and racing on Sydney Harbour and has since grown to become Australia's fastest growing water sport.

Dragon Boat racing began in China around 2000 years ago and has now grown to be an International Sport with competitions held all around the world.

Social or competitive, try dragon boat racing today.

YOUR LOCAL CLUB

The Deepwater Dragon Boat Club was established in 2011, and has since slowly grown into a small but committed Club with members who have been in the Club since its inception. Deepwater Dragons would love to add you to its list of members.

We are a dedicated team who primarily love to have fun but are also keen to succeed in this amazing team sport. We have both Social and Sports Teams which consist of both Mixed and Women's crews.

So either come on your own or bring a friend and try this fantastic sport.

Come along for some fresh air, exercise and great company.
