## Putt Putt Regatta – Davistown:

between our two boats Pheonix and Oarsome.

Once again we all had a great day at the Davistown Putt Putt Regatta and Wooden Boat Festival. We headed off early and paddled across to Davistown and set up camp under our brand new tent. We spent the day promoting our fantastic club to all who wanted to stop and listen. We also showed everyone what we could do in the dragon boats by holding exhibition races

## Forster Keys Regatta:

November saw the team take a road trip to Forster Keys for yet another exciting fun-filled northern regatta. On Friday, after a quick stop at the Cherry Pie Café, the girls continued on to the beach while the boys enjoyed a round of golf. Saturday the team took part in the 2km marathon and the 500m race. Sunday the team enjoyed another day of racing in the 200m races. Once again we achieved some competitive results.

It was a perfect getaway for the team and of course team building is always a lot of fun.

## Penrith Regattas:

The team raced in December at Penrith Regatta and then again in January at the State Championships. The team once again used their paddle skills and team spirit to achieve some good results.

## Social Dragons:

The Deepwater Dragons held their Christmas Party at the Ela Mesa Greek Restaurant on the waterfront at Woy Woy. It was a great chance to enjoy each other's company over a nice meal and a few drinks. As usual, Kathy had a game plan to keep us moving through our seats so we could spread our Christmas cheer throughout the team. A good night was had by all!

## Christmas:

The team also enjoyed a final paddle before Christmas. They all looked very festive in their Christmas hats and shirts. After the paddle the boys cooked up egg and bacon rolls on the BBQ and for just a bit more fun we opened Secret Santa gifts.

## Chinese New Year 2016:

Another terrific day this year, at Darling Harbour's Chinese New Year Dragon Boat Festival. The colours, the culture and the dragon boat racing all made the day a great experience. Our fantastic team used their paddling skills to win some 3<sup>rd</sup> and 4<sup>th</sup> places in the heats, and our skilled Sweeps kept us on the straight and narrow and steered us home to the finish line. After a great day of racing some of the team spent the evening at Darling Harbour enjoying the festivities of Chinese New Year celebrations.
